

LETTER TO ALL THE APPLICANTS

Dear Applicants

Cordial greetings from Marian College Kuttikkanam Autonomous.

Yesterday by mistake a message that was meant for another group was sent to all the applicants. I am deeply sorry for the inconvenience caused. The applicants are hereby requested not to make any payment based on the SMS you received yesterday evening. The selected candidates will be receiving further communication from the College regarding admission and payment procedure from today onwards, as and when their turn comes.

Cordially
