

Associate Analyst

Are you a quick learner with the willingness to work with new technologies? Do you have an analytical mindset? At Deloitte we deliver solutions to clients who are pioneers in the fields of technology. Here, innovative practices are designed through world class service.

Work you'll do

Associate Analysts at Deloitte are expected to develop strong technical skills in the system/ technology area you are working in. As a part of the onboarding process on projects, you are provided with training/awareness aimed at building proficiency in the role. It involves development of technical and behavioral skills as per defined proficiency levels (as per the Expectation Framework), understanding of the Firm specific tools and methodologies and focused capability building on communication excellence as per Deloitte standards.

- Work on projects of moderately complex scope
- Report on common sources of technical issues or questions and make recommendations accordingly
- Communicate key findings to project team leader and extended project network (as applicable)
- Work towards improvisation and monitoring - delivering better value to the customer

The team

Deloitte LLP is one of the largest private professional services provider with its subsidiaries working in four key business areas-audit, advisory, consulting, and tax-with the ability to combine elements of those groups to address clients' needs.

Deloitte* was recently ranked by Gartner, IDC, and Kennedy as a leading consulting firm globally for the sixth consecutive year, named a leader in business transformation consulting by Forrester, and serves 80% of Fortune 500 companies.

Deloitte Consulting LLP prides itself on being a "go-to" organization helping clients to solve some of the most complex, critical challenges - from initial strategy design through implementation and ongoing operations. Its teams provide global experience and local knowledge enabled by world-class technology solutions to help clients focus on the big picture and succeed in public or private business environments.

Qualifications

Required:

- BSc (Computer Science or IT)
- BCA

Preferred:

- 0-1 Year experience with technology (can include certification/ internship projects)
- Basic understanding of relational database management systems
- Basic understanding of testing tools and unit test scripting

How you'll grow

At Deloitte, we've invested a great deal to create a rich environment in which our professionals can grow. We want all our people to develop in their own way, playing to their own strengths as they hone their leadership skills. And, as a part of our efforts, we provide our professionals with a variety of learning and networking opportunities—including exposure to leaders, sponsors, coaches, and challenging assignments—to help accelerate their careers along the way. No two people learn in exactly the same way. So, we provide a range of resources including live classrooms, team-based learning, and eLearning. DU: The Leadership Center in India, our state-of-the-art, world-class learning Center in the Hyderabad offices is an extension of the Deloitte University (DU) in Westlake, Texas, and represents a tangible symbol of our commitment to our people's growth and development.
