### Calculating scholastic average for Infosys Recruitment Process

Please follow the instructions shared below to calculate your scholastic average as per our requirements.

- We need simple average/aggregate percentages for education details of X Standard, XII Standard (if applicable), and Diploma which includes:

o All Languages o Additional Subjects o Practical o Optional Subjects

The formula for calculating simple average/aggregate percentages is:

Total marks obtained in all subjects X 100 / Total maximum marks for all subjects

If your college/institute/university follows a CGPA system, please ensure that the CGPA is calculated considering each and every course/subject/elective that you have undertaken in that academic year including optional or additional subjects (if any).

### Total test duration – 100 minutes

Section	Skill tested	No. of questions	Time allocated
Section I	Reasoning Ability	15	30 minutes
Section II	Technical Ability	10	30 minutes
Section III	Verbal Ability	20	25 minutes
