Greetings,

Subject: Letter with regard to collaboration

We would like to express our desire to collaborate in the area of environment conservation and sustainability by supporting the Nature club of Marian college Kuttikkanam Autonomous. We will extend our support for all green initiatives and eco-friendly activities by the college

Poomarathanal, an NGO dedicated to environmental conservation and sustainable agriculture, and Nature Club of Marian College Kuttikkanam, Autonomous, a leading educational institute, have come together to work towards creating an eco-friendlier environment for the community.

This partnership will enable both organizations to collaborate towards the common goal of promoting environmental awareness among youngsters and conservation efforts. By planting fruit trees and promoting sustainable agriculture practices, we hope to create a greener and more sustainable future for generations to come.

We, the undersigned, hereby acknowledge and certify that Poomarathanal and Marian College have formed a partnership to work together for the promotion of sustainable agriculture and planting of fruit trees in our community.
