

About Marian

Marian College Kuttikkanam Autonomous founded in 1995, is affiliated to the Mahatma Gandhi University, Kottayam and has evolved into a premier institution in Kerala within a short span of time and is one of the youngest Autonomous colleges in Kerala.

The College is located 3500 feet above sea level, in a misty location where the temperature ranges from 15° C to 25° C. The sprawling tea and cardamom plantations in the high ranges give an ideal green locale conducive for learning. Nature exquisitely complements the institutional climate of Marian.

Marian offers 20 academic programmes in UG, PG and doctoral levels.
