

# Reports of the days celebrated by Important Day Celebration Committee.

*(IDCC club with new functionaries was constituted by the principal on 02/12/2022)*

## 1. 07/12/2022

**World Soil Day (5th December)** was observed in the college by IDCC in association with Value Education Coordinators on 07/12/2022.

Teachers were directed to facilitate discussions in their classes on the topic: "Soils: Where Food Begins" (theme set by the UN). The thrust areas of the discussion were: human interventions detrimental to soil vitality, the major challenges, measures to raise awareness, and the solutions. Students were also asked to create posters based on the theme.

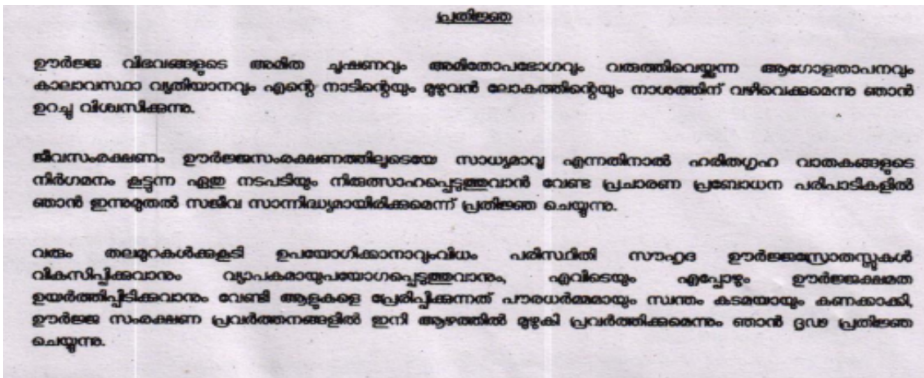

## 2. 8/12/2022

Human Rights Day(10<sup>th</sup> December) was observed on 8/12/2022 as 10<sup>th</sup> (Saturday) is not an official working day. Pallabi Ghosh, a human rights activist specialising in work related to anti-human trafficking activism, was roped in to interact with the students. She interacted with the functionaries of different clubs about the issues of gender and trafficking, and was invited to several departments for interaction with students and faculty.

3. 14/12/2022

**National Energy Conservation Day** was observed on 14/12/2022. Faculty advisers were instructed to set apart some time to administer the energy conservation oath to students and to elicit responses on the same.

4. 12/1/2023

**National Youth Day** was celebrated by IDCC in collaboration with MCSC on 12/1/2023. A graffiti wall was placed in front of the administrative block. Students were encouraged to leave a tangible record (writings and drawings) of their hopes and despairs. All the paraphernalia needed to create graffiti were provided.

As National Youth day is observed in honor of Swami Vivekananda, QR codes which gave access to the Swami Vivekananda's monumental Chicago Speech was put up in various spots in the campus.
