

Rosu Davis (2018-2020) has got an opportunity to sing a devotional song in **Shalom TV**. It was a blessing for our PGDM family and she was also selected in the **Marian Band** during this academic year.

In regards with the recent flood, the M.com PGDM (2018-2020) students contributed to the flood relief for the people of Idukki. Students from our class went to clean the houses that were affected by the flood.

Our department also makes it sure that the students are encouraged and they are let free to express their skills and talents in all platforms where they are given a chance. The participation of Ms. Maria Thomas and Ms. Jithu Theresa George on the mini screen program “ Minute to win it ” of Mazhavil manorama channel was the best example of that. Also it is notable that Ms. Jithu Theresa George was selected as a candidate for the VANITHA cover girl competition from the whole Marian college.
