Marian Chronicles

Fr. Roy Abraham's Journey through time as the Hostel Warden

Aksa Ann Thomas

Chief Editor - MAAK
BOOK

Editorial

Dear Marianites,

Our 5th issue of the MAAK book is in your hands today. A small milestone for us. The successful release of each issue is the result of all the alumni, governing board members and the editorial team.

This issue is released by Dr. Joby Cyriac - Vice Principal and IQAC Coordinator. As the chief editor, I would like to express my thanks to Joby sir for releasing the May edition of our MAAK BOOK.

This issue has a report from our Dubai chapter "Nostu 23" about their fun filled alumni gathering. Along with this we also have Rev. Dr. Roy Abraham P sharing his memories about the initial days of Marian College as the Hostel warden.

We have an in-depth interview of Dr. Chakochoan Njavallil who retired after serving the college as a professor of the Commerce department for 27 years.

We hope this issue brings a smile to your face.

Real Stories at your finger tips.

We are proud to have published five editions so far, but we need your help to keep this project going.

Our team is small and we are looking for more volunteers who can contribute their time and skills to the newsletter. The tasks include

- *Keeping an eye out for news, facts and updates from alumni around the world.*
- *Contacting the sources for more information or clarification.*
- *Proofreading and editing the text for grammar and clarity.*

We have a pre-designed layout in Google Slides dedicated for our newsletter, this has made the page setting process very simple and efficient.

If you are interested in joining our team, please contact me on 9496 509 343. This is a great opportunity to connect with other alumni, showcase your talents, and make a difference in our community. Thank you for your support and we hope to hear from you soon!

Adv. Nelson Joseph
President - MAAK

President's message

"Never Before, Never Again" - On the occasion of the retirement of our beloved Chackochan sir, this is one caption that came to my mind. When we conducted "Com-Fest-2003" it was the leading caption in teasers. When Chackochan sir noticed it, he insisted that "Never Again" be removed from the caption stating that the Commerce Department will continue to organize Com-Fest in succeeding years too. Finally he allowed us to go ahead with the caption as we stressed on the year 2003 in Com-Fest.

Got reminded of this when I heard Chackochan sir is retiring. Maybe he will be never again to Marian as a teacher, but a marianite forever. Retired life will never be a normal boring thing for him as he is engaged in versatile activities already. Marian Alumni Community wishes Chackochan sir Good Health and Happy retirement life.

John chettan also had been an inevitable part of the life of most of the Alumni through his sincere services. Wish him also Healthy, Happy, Joyful and Active years ahead...

Marian got a new Vice Principal and Alumni Association is so happy to see our Friendly and Vibrant teacher Lumy miss in that position. Congratulations and all the best Dr. Lumy Joseph.

The UAE Chapter had its wonderful Annual Family Get Together last month which was just amazing as expected. Congratulations to the Newly Elected Chairperson Emil Chandy and all the Office Bearers for a fruitful and happening term.

UAE Chapter is again showing the way in our Social Service Area as well. The mega Blood Donation Camp that's happening this month will be the ideal start for a community outreach program of our Association. Big Salute to Moncy Alex, Director, Social Service wing and the UAE Chapter as well, for organizing such a meaningful event.

Cochin Chapter also deserves a big applause for having monthly meetings and thereby making the bond among members so strong.

Wish more Chapters and Department Units to be super active in coming months. Requesting all to be part of Alumni Association Activities. Wish you all a great time.

With love

Adv. Nelson Joseph

Nostu-23

Recreating Kuttikkanam vibes in the Emirates

Let's take a walk down the memory lane and cherish the incredible moments we've shared together at "Nostu 23," the alumni gathering held at Yacob's Village in Ajman, UAE, on the 6th of May 2023. From the very first batch of students to the latest group of graduates, our gathering was a beautiful amalgamation of experiences, stories, and connections that

spanned across the years.

The alumni played a vital role in making the gathering a roaring success. After an entire month of dedicated preparations and practices, they showcased their talents in dance performances, both in groups and as individuals, featuring fast-paced cinematic

numbers. Their music performances were equally captivating, with members showcasing their impressive singing skills, leaving the audience in awe. It was a true testament to the diverse talents within our alumni community.

In addition to the captivating performances, the event featured fun-filled games

that brought out the competitive spirit among the attendees and filled the air with laughter. The games added an element of excitement and camaraderie, ensuring a lively and engaging atmosphere throughout the event.

To celebrate the occasion, a grand gala dinner was organized where attendees indulged in a delectable feast, savoring a wide array of delicious dishes. The dinner provided the perfect opportunity for everyone to socialize, bond, and create 'more nostu' over great food and even better conversations.

To relive the unforgettable moments of "Nostu 23," we have a video that captures the essence of the event. Click [here](#) to watch the highlights.

Party on peeps, and may the memories of "Nostu 23" live on!

The office bearers for the year 2023 - 24 were elected during the event.

To officially mark the beginning of their term, the newly elected office bearers will take their oath on the 04th of June 2023.

A night to remember - Here are some snapshots of the wonderful evening we shared.

**Rev. Dr. Roy
Abraham P**

Director - XIME

My Memories of Being a Hostel Warden at Marian

As I reflect on my early years as a hostel warden at Marian, it takes me back to May 1997 when I first arrived on the campus at the age of 31. Those were vastly different times compared to the campus we see today. For now, I'll focus on sharing memories from those initial years as a hostel warden.

Marian College had two boys hostels back in 1997, and I was assigned to the one located on the college campus itself. The other hostel, Charls Villa, was situated in Peerumedu. The hostel on campus was located in what is now known as the cellar minus 2 of the academic block. I took over the role of hostel warden from Dr. Joshy John (BBA).

The facilities in the hostel were quite basic, to say the least. There were three small halls that served as dormitories, and due to limited space, the hostellers had double-decker cots. Whenever necessary, the college classrooms doubled as study rooms. My own room was positioned on the left side of the right-side step leading down to the academic building.

There was a small window in my room that opened into the middle dormitory, allowing for closer monitoring of the hall's occupants. The boys only had access to common toilets and bathrooms.

To combat the dampness of the cellar room, I would keep the window in my room open. Near the window, I had a gas stove for preparing coffee and hot water. Alongside the coffee powder, I would often keep a few snacks and things, including milk powder. Clever boys would discover these treats on my table and help themselves to a small portion. They were discreet enough to take just a tiny amount, and I never noticed until they confessed their mischief to me later.

The Mess Hall

In those early years, the preparation of food presented its own unique challenges. One of the small old buildings on campus was used as the temporary kitchen and dining space for all the boys' hostellers, teachers and staff. This building was situated near the current guesthouse of the college, partially under the bridge connecting the academic and administrative blocks. (There was one more adjacent building where some of the staff of the college had their accommodation.)

The kitchen itself had only stoves fueled by firewood. During the rainy season, keeping the firewood dry was a big challenge due to the leaks from the roof. Despite the building having a cemented floor, it was riddled with potholes created by rats, making it wet and slippery to walk on during the rains. Seating arrangements in the mess were insufficient for everyone, so both staff and students would take their plates and form a queue to get their food. Often, due to the short noon break, we had to eat our lunch while standing. The mess halls were quite chaotic during those days. However, the food, managed directly by the students through a dividing system, was reasonably tasty and nutritious.

When the classrooms and the library were shifted to the current academic block from the then library building (where the MMH building stood for a long time- now demolished for the auditorium), the two classrooms on the ground floor were converted into a dining hall and one classroom was converted into a small kitchen. (I think it was in 1998). This gave the boys hostellers and staff a decent space to sit and eat.

Aspiration for new hostel

As the years went by, the number of hostellers at Marian College continued to grow steadily. In 1998, even Charls Villa closed its doors, and the students were brought to the Marian campus. This influx of students led to the conversion of several college classrooms into additional hostel space. It became evident to both the hostellers and their parents that a dedicated boys hostel was necessary. The management of the college was also well aware of this pressing need. However, financial constraints posed a significant challenge, especially after the completion of the administrative and academic blocks. The support from the

Austrian Catholic Diocese, which had been instrumental in the college's growth, had also come to a halt after the building inaugurations.

It was during this critical juncture that the boys and their parents stepped forward to contribute financially towards the construction of a new boys hostel. I am forever grateful to the second batch of Marian students (1996-1999) who resided in the boys hostel at the time, generously offering a portion or even the full amount of their hostel caution deposits as a contribution towards the new hostel construction. This selfless act of giving was then emulated by subsequent batches, resulting in the creation of a seed fund to kickstart the construction of the present-day Bp Paul Eby hostel.

Hostel Life

The early days of hostel life in the cellar rooms of the academic block were a challenging adjustment for many. Transitioning from the comfort of their own single rooms at home to dormitories with many other students presented numerous

hurdles. However, as time went on, the hostellers embraced their new surroundings with enthusiasm and adapted to the shared living arrangements. To address the issue of bathing, many of them started using the swimming pool (which currently supplies drinking water) for their daily showers. I wholeheartedly supported this decision, considering the frequent water shortages we faced. During the summer nights, a few brave boy volunteers, including myself, would venture out with jeeps and lorries to collect water from nearby sources to be used in the kitchen.

Hostel life, whether in college or elsewhere, is often considered one of the most memorable experiences in a student's life. We organized numerous in-house competitions to make hostel life engaging and enjoyable. On weekends, we would venture out in groups, exploring the nearby places and creating lasting memories. I still recall one particular weekend during summer when we had a thrilling competition at Soochimala near DARE. Binoy Mathew, a former alumni President, emerged victorious, sprinting to the top of the hill. After the event, we gathered for a delightful dinner at DARE. Another noteworthy tradition was our general cleaning sessions on weekends. Since we couldn't afford staff to clean our rooms and premises, we took it upon ourselves to tidy up. It was followed by a well-deserved high tea.

The hostel became a cherished home, fostering unity, lifelong connections, and personal growth. From forming routines to deep bonds, it shaped leaders, effective communicators, and strategic thinkers. Beyond academics, it offered a holistic education for success and fulfillment.

As a hostel warden, I treasure the memories we created. Marian College's hostel life leaves an unforgettable mark, shaping students' lives with friendship and belonging. It's a testament to the enduring impact of a vibrant community.

Photos taken in 2000 - 2001 during the construction of new hostel.

A Tribute to Nazhim Nazar

Heartfelt condolences to the family and friends of Nazhim Nazar who left us on 24 May 2023. He belonged to the BCom 2012 - 15 batch. We, the alumni community is deeply saddened by his sudden departure and we pray for his eternal peace.

Congrats to the new Vice Principal Dr. Lumy Joseph

On behalf of the alumni association, we would like to express our heartfelt congratulations to Dr. Lumy Joseph, who has been appointed as the Vice Principal of the college. She has been a valuable member of the faculty since 1998, and has contributed immensely to the Department of Computer Applications. We are proud of her achievements and wish her all the best in her new role.

A Journey of Transformation: An Interview with Dr. Chackochan Njavallil

How a passionate educator shaped lives, pursued excellence, and embraced new challenges.

Dr. Chackochan Njavallil, M. Com., M. Phil., Ph.D., an Associate Professor and former Head of the Research and Postgraduate Department of Commerce at Marian College Kuttikkanam (Autonomous). He has over three decades of teaching experience and has previously worked at SH College Thevara, Kochi, and Christ College (now Christ University) Bengaluru.

He holds a Post Graduate Diploma in Journalism, a Diploma in Theology, and a Certificate in TCI from Ruth Cohn International for Theme Centered Interaction, Bassel. Dr. Njavallil, a seasoned professional, has a rich history of international travel, organizing seminars, holding leadership roles, and dedicated involvement in youth ministry for nearly four decades. He is the author of several books, hundreds of articles in

periodicals, and serves as the Associate Editor of Acumen – Marian Journal of Commerce and Management, Chief Editor of Sagesse, and the Chief Editor of Kairos and Kairos Global.

Dr. Njavallil has received the Teacher Fellowship and a Major Research Project from the UGC, is a SEBI Certified Financial Education Resource Person and an accredited Independent Director of companies. The Indian Council of Social Sciences Research (ICSSR) awarded him the prestigious Book Publication Grant, and his book 'Training of Bank Employees: A Comparative Study between New Generation Banks and Public Sector Banks' is published by The Himalaya Publishing House, New Delhi.

He has held various positions, such as a member of the Jesus Youth International Council, National Advisory Board of Jesus Youth India, National Board Member, South Region Secretary and Treasurer of Xavier Board of Higher Education in India, and Assistant Director/Deputy Secretary to the Office of the Committee for Higher Education, The Syro Malabar Major Archiepiscopal Curia, Kerala. Dr. Njavallil is an organizer, innovator, and social activist by inclination, a teacher by profession, and a passionate trainer and writer on social issues. He can be reached at chackochanjnavallil@gmail.com. He has also authored a special book called "Marianexpi," which captures 99 stories from his experiences at Marian College. If you would like to get a copy please reach out to 9496979201. Kindly note that the book is currently available in Malayalam only.

As Dr. Chackochan Njavallil bid farewell to Marian College Kuttikkanam Autonomous after 27 years of remarkable service, I had the pleasure of talking to him about his cherished experiences at Marian.

Here are the excerpts...

What were the most satisfying, rewarding, and challenging aspects of your 27-year teaching journey at Marian College?

Throughout my 27 years of teaching at Marian College, I have experienced immensely satisfying and rewarding moments that encapsulated the essence of being an educator. What made this experience special was the freedom to experiment with teaching methods and witnessing students' excitement as they connected concepts to real-world scenarios. However, the most rewarding aspect was observing the growth of the individuals entrusted to my care. Witnessing students overcome academic obstacles, blossom into confident individuals, and pursue their dreams was a testament to the transformative power of education.

On the other hand, the hardest part of teaching lay in building and sustaining motivation among less motivated students. Engaging and igniting their interest required creativity, patience, and personalized approaches. Overcoming this challenge and guiding them towards their full potential was both demanding and crucial for their educational success.

In essence, my teaching journey at Marian has been a tapestry of unforgettable moments, shaping me as an educator and reaffirming my dedication to teaching.

You initiated the NAAC process in 2000, and achieving NAAC A++ in 2023 accreditation was a significant accomplishment for Marian College. What do you think was the most challenging aspect of attaining this accreditation?

Being the initiator of the NAAC process in 2000, in which the college got B++ grade in the year 2003, attaining NAAC A++ accreditation (2023) was indeed a remarkable achievement for Marian College, and we take great pride in it. The most challenging aspect of attaining this accreditation was during the first cycle when many were unfamiliar with the entire process, which created hurdles. However, in the fourth cycle, when the college secured a remarkable score of 3.71 out of four, the challenges were even greater. The norms became stricter, and the present team had to endure struggles due to frequent changes in the manual and system. Despite these difficulties, the team persevered and emerged triumphant.

The college underwent a significant transformation over the years, and you were part of it for 27 years. Which transformation stands out as the most memorable to you?

Reflecting on the 27 years of transformation at Marian College, it is indeed difficult to pinpoint a single most memorable moment. However, witnessing the college's growth from 540 students, two dozen teachers, and three programs to approximately 3000 students, 150 teachers, and numerous programs stands out as a significant and remarkable transformation. Alongside this expansion, the college experienced notable improvements in facilities, embraced extensive use of ICT (Information and Communication Technology), implemented Outcome-Based Education (OBE) approaches, and achieved a large number of publications.

This collective progress reflects the dedication, hard work, and commitment of the entire Marian College community towards creating a thriving educational institution.

As a teacher, what challenges did you face while transforming people's lives through education?

In my pursuit of transforming lives through education, I have faced numerous challenges. One obstacle is the task of conveying the importance and long-term impact of our efforts, particularly when not everyone, including those in positions of authority, fully grasps it. Maintaining personal motivation can also be difficult at times, especially in the face of limited resources and financial constraints. The burden of administrative work and procedures can further contribute to discouragement. However, I remain resilient and adaptable, driven by a deep conviction in the transformative power of education.

You were involved in various extracurricular activities such as the Catholic Church, Jesus Youth, and Kairos Magazine, in addition to your teaching responsibilities. How did you manage your work-life balance?

Balancing work, extracurricular activities, and personal life has been a constant challenge. On the positive side, these involvements provided me with valuable experiences, ideas, contacts, and opportunities. On the other hand, extensive travel and irregular schedules often resulted in sleep deprivation, affecting personal well-being. Unfortunately, my family had to make compromises in various areas due to these commitments. One significant casualty has been my contributions to research publications, impacting my professional advancement. Balancing personal, professional, and extracurricular pursuits is an ongoing process, requiring effective time management and prioritization.

Chackochan sir with family

Despite sacrifices, these diverse experiences have enriched my life and broadened perspectives.

The younger generation faces numerous challenges today. What advice would you give them to have a better career and life?

The challenges faced by the young generation today are indeed significant. My impression is that today's youngsters are much more honest and straightforward compared to previous generations and as a result find it difficult to tolerate hypocrisy and duplicity. In the midst of numerous career options, my advice to them is to cultivate a strong sense of self, stay true to their values, and have faith in themselves. It is crucial to explore their passions and interests while making career choices, considering their strengths and long-term aspirations. Embracing a value-oriented and sincere approach to life will guide them in making ethical decisions and finding fulfillment. Additionally, developing a deep faith in God can provide solace, resilience, and the strength to overcome challenges, ensuring a more meaningful and purposeful journey in both their careers and personal lives.

The Marian Alumni forum has become more active in recent years with dynamic chapters worldwide. What more do you think can be done to enhance its impact?

It's delightful to note that the Marian Alumni forum is experiencing increased activity with vibrant chapters worldwide. As a fellow member, I share your enthusiasm. In today's complex world, the significance of a trustworthy support network cannot be overstated. It would be wonderful if the Alumni group can maintain its status as a community of individuals known for their authenticity, dependability, and trustworthiness in personal, professional, and business interactions. By upholding these values, the Alumni forum can continue to foster strong relationships, facilitate meaningful collaborations, and contribute positively to the lives of its members and society as a whole.

Moving forward, as you won't be interacting with the same number of young people daily as you did for the past three decades, how do you plan to fill the void?

Acknowledging the upcoming reality of not having daily interactions with a large number of young people is indeed a challenging prospect. However, I plan to continue my involvement in ongoing projects and explore new avenues that align with my interests and expertise. Additionally, I will take time to reflect on my career path and consider the different possibilities emerging, making informed decisions about the professional steps to be taken. While the transition may require adjustments, I am optimistic about embracing new opportunities and contributing meaningfully in different spheres.

Your Blood Could Save a Life, Make a Difference

Marianites@UAE in association with Dubai Blood Donation center, Dubai Academic Health Corporation is organizing a Blood Donation Camp

on 30th June 2023 | 9 AM - 12 PM

Location - Dubai Blood Donation Center, DHA HQ, Jadaf, UAE

Donating blood is an act of solidarity. Hence lets ensure that blood reaches to those who need it. Requesting you all to please join this movement and save one of your kind.

For registration and further enquiries please contact:

Celebrating life

The Cochin Chapter of MAAK hosted a wonderful birthday bash for its April and May born members on 19 May. The venue was Mia Riaan, a beautiful backwater resort that offered a serene and relaxing atmosphere. 17 alumni attended the event and had a blast catching up with old friends and making new ones. They cut a cake, sang songs, and shared many laughs and memories. The photos here show only a fraction of the fun they had. What a joyful night it was...

10 Questions with John chettan: A Candid Interview with a Longtime College staff

As Mr. K S John approaches his retirement after being a familiar face at Marian for more than 27 years, many of us realize that we may not have truly gotten to know him. In a casual chat with Ms Jyothi Jose and Ms Melby Joseph, we seize the opportunity to ask him simple questions, amidst these lighthearted exchanges, we catch a glimpse of the experiences and stories that have shaped his time at Marian.

1. വീട് എവിടെയാണ്? വീട്ടിൽ ആരൊക്കെയുണ്ട്? അവർ എന്ത് ചെയ്യുന്നു?

ഇടുക്കി ജില്ലയിലെ കുഴിഞ്ഞൊളു എന്ന സ്ഥലത്താണ് എന്റെ വീട്. വീട്ടിൽ ഭാര്യയും രണ്ടു മക്കളും. ഭാര്യ ജാൻസി ഇടുക്കി പൈനാവിലെ പോലീസ് സ്റ്റേഷനിൽ ജോലി ചെയ്യുന്നു. മോൾ ആൻ മരിയ +2 കഴിഞ്ഞു. മകൻ അലൻ 10th കഴിഞ്ഞു.

2. മരിയനിൽ ജോലിക്ക് വരുന്നതിനു മുമ്പ് എവിടെയെങ്കിലും ജോലി ചെയ്തിട്ടുണ്ടോ?

പീരുമേട് ഡെവലപ്മെൻറ് സൊസൈറ്റിയിൽ 5 വർഷം ജോലി ചെയ്തതിനു ശേഷമാണ് മരിയനിൽ ജോലിക്ക് വരുന്നത്.

3. തുടക്കം മുതലുള്ള ആളെന്ന നിലയിൽ ആദ്യകാലത്തെ മരിയൻ കോളേജ് ജീവിതത്തേക്കുറിച്ച് ഒന്ന് പറയാമോ?

ആദ്യ കാലങ്ങളിൽ staff ഉം ആയും, കുട്ടികളുമായും അധികം ബന്ധമുണ്ടായിരുന്നു എന്നത് ഒരു സവിശേഷത ആയിരുന്നു.

4. മറക്കാനാവാത്ത ഒരു മരിയൻ ഓർമ്മ?

കോളേജിൽ ജോലിക്ക് കേറിയതിന് ശേഷം ഒരു 3 - 4 വർഷം കഴിഞ്ഞ് ഒരു NSS ക്യാമ്പ് സന്ദർശിക്കാൻ പോയത് എപ്പോഴും ഓർക്കുന്ന ഒരു കാര്യമാണ്. ഇരട്ടയാർ എന്ന സ്ഥലത്തു നിന്നും നെടുംങ്കണ്ടം വരെയും ഞങ്ങൾ രണ്ടു മൂന്നു പേർ - ബിജു, സെബാസ്റ്റ്യൻ എന്നിവരോടൊപ്പം തുവൽ വെള്ളച്ചാട്ടം വഴി നടന്നു പോയത് നല്ലൊരു ഓർമ്മയായിട്ട് ഇന്നും അവശേഷിക്കുന്നു.

5. മരിയനിലെ ഏറ്റവും ഇഷ്ടപ്പെട്ട സ്ഥലം?

ശാന്തിയും സമാധാനവും നൽകുന്ന, മരിയൻ കോളേജിന്റെ ചാപ്പലാണ് എനിക്ക് ഏറ്റവും ഇഷ്ടപ്പെട്ട സ്ഥലം.

6. ഏറ്റവും ബുദ്ധിമുട്ടുണ്ടായിരുന്ന ഒരു കാലഘട്ടം / ഒരു അനുഭവം

മരിയൻ കോളേജിന്റെ തുടക്ക കാലം, 2 - 3 വർഷം വളരെ ബുദ്ധിമുട്ട് ഏറിയതായിരുന്നു. മഞ്ഞും മഴയും തണുപ്പും ഒക്കെ ഒരുപാട് അനുഭവങ്ങൾ സമ്മാനിച്ചു.

7. മരിയനിൽ ജോലി ചെയ്തത് കൊണ്ട് ജീവിതത്തിൽ എൻജോയ് ചെയ്യാൻ പറ്റാതെ പോയ ഒരു കാര്യം? ഏറ്റവും എൻജോയ് ചെയ്ത ഒരു കാര്യം?

ആവശ്യ നേരങ്ങളിൽ കുടുംബവുമായി പല കാര്യങ്ങളും ആഘോഷിക്കാൻ സാധിച്ചിട്ടില്ല. ഞങ്ങളുടെ രാവിലെത്തെയും, വൈകുന്നേരത്തെയും ഒന്നിച്ചുള്ള യാത്രകൾ ആസ്വദിച്ചാണ് പോന്നിരുന്നത്..

8. ഏതു പേരിൽ വിളിക്കപ്പെടാനാണ് ആഗ്രഹം : ജോൺ, ജോണപ്പാപ്പി, ജോൺചേട്ടൻ, വേറെ ഏതെങ്കിലും?

ജോൺ എന്ന പേരിൽ തന്നെ വിളിക്കപ്പെടാൻ ആണ് ഞാൻ ഇഷ്ടപ്പെടുന്നത്.

9. ഗെയ്റ്റ്കീപ്പർ മുതൽ പ്രിൻസിപ്പൽ വരെ ഉള്ളതിൽ, ഇനി ഒരു അവസരം കിട്ടിയാൽ മരിയനിൽ ചെയ്യാൻ ആഗ്രഹമുള്ള ജോലി?

അവസാനം ചെയ്ത ജോലി തന്നെ. എക്സാമിനേഷൻ സെന്ററിൽ ജോലി ചെയ്യാനാണ് ഏറ്റവും ഇഷ്ടപ്പെടുന്നത്.

10. മരിയൻ എന്നിൽ വരുത്തിയ മാറ്റം? ഒറ്റ വാക്കിൽ.

അച്ചടക്കവും, സമയനിഷ്ഠയും ആണ് എന്നിൽ ഒത്തിരിയേറെ വ്യത്യാസം വരുത്തിയത്.

Ms. Jyothi Jose, Mr. K S John and Ms. Melby Joseph
