## HOSTEL GUIDELINES: 2023-24

### Rationale

Marian considers hostels to be an essential component of the learning environment. They are envisioned as a family with a strong sense of fellowship and friendliness. Hostel life teaches students responsibility and the importance of discipline. It is more than just a place to live. Instead, it is a place to set the groundwork for future accomplishments. The hostel directors here assist you in becoming victors rather than losers in your dreams with which you have joined Marian. So, here are some guidelines for every hosteller's better life and goal fulfilment.

### 1. Admittance/Readmission

A. To be admitted to the Marian hostels (both Gents and Ladies), students must book rooms online at [www.mcka.in](http://www.mcka.in). Once the booking is confirmed, students, together with their parents/guardians, must see the director with the **room admit card** and the **declaration of adherence to the hostel guidelines duly signed both by the student and the parent/ guardian**.

B. Admission to the hostel is for one academic year only and must be renewed yearly.

C. For readmission, all hostellers must book rooms online before the deadline each year.

D. To complete the readmission, the applicant and parent(s)/guardian must meet with the Hostel Director at the predetermined time.

E. If a hosteller does not complete the readmission process, their right to remain a hosteller is automatically forfeited unless additional permission is sought from the authorities.

F. A nominal amount will be collected as an admission fee and maintenance fee every year.

## **2. Protocols for COVID-19**

A. Hostellers are not permitted to enter other rooms for any purpose. Students who enter another room will be fined Rs.100 each.

B. Any COVID-19 symptom must be immediately reported to the Hostel Director and enter self-quarantine at home.

## **3. Facilities provided**

We provide a cot, study table, chair, cupboard, Wi-Fi, plug points, and generator service until 11 p.m.

## **4. Study time**

A. During all study times, complete silence should be maintained. Students must be in their rooms/libraries/laboratories during study time. Those who wish to visit the library/lab during the evening study period (6.00 p.m.-8.00 p.m.) must do so before 6.00 p.m. and may only return to the hostel after 8.00 p.m. They can, however, use the library until 8 p.m. Those who break the silence during study time will be subjected to disciplinary action.

C. During the study time, the combined study is permitted only in the common area (Mess Hall) and is limited until 11.30 p.m.

D. Loud discussions, including study consultations, are not authorized in one's or others' rooms. Study consultations in small groups (a maximum of four people) may be permitted in the mess hall.

E. During study hours, the hostel gates will be closed, and no one shall be found loitering.

F. Using entertainment equipment during study time is a severe violation. The equipment will be confiscated in such circumstances. On the other hand, students who listen to music for enhanced learning may utilize headphones during study time to prevent distracting others.

## **5. Permission to go out**

A. Hostellers are permitted to go out after 1:30 p.m. by strolling and within walking distance. They must arrive at the hostel by 5.30 p.m. to begin studying at 6 p.m. During holidays, hostellers may leave after 12:30 p.m.

B. If anyone wants to leave the hostel on holiday before 12.30 p.m., they need to get permission from the director concerned with parents' approval.

C. Unless otherwise specified, all entry and exit timings in the hostel shall be from 6.00 a.m. to 5.30 p.m.

D. Students who work part-time may be granted an exception if they present a letter of appointment from the organization, recommended officially by the department and parents.

E. Secure Hostel software is used to ensure the security and safety of the students. The software tracks daily attendance, various permissions, and so on.

F. Every day, all hostellers' attendance will be recorded. Each hosteller is accountable for accurately recording attendance. Absences from the hostel will be communicated to parents.
