This National level online FDP on **Research Methodology using ChatGPT & AI tools and Funding Opportunities for Research** is being organised by the PG Department of Computer Applications, The Internal Quality Assurance Cell (IQAC) and Lincoln University College Marian Research Centre (LUC MRC) of Marian College Kuttikkanam (Autonomous) in association with The Kerala State Higher Education Council. Spread across eight days, the FDP sessions will be delivered through live webinars and also through hands-on activities and assesments through Learning Management Portal (LMS).

FDP Outcomes

On completion of this FDP, the participants will be able to:

- Create quality research papers and contents in any discipline using AI tools.
- Identify the appropriate methodology, research tools and statistics for analysis of data that are pertinent to the problem of study.
- Develop plan to produce personalised learning materials, educational contents, learning activities, assessment stacks and personalised method of student's engagements for actualization of Learning Outcomes.
- Write concise, coherent and well-structured content free from grammatical errors and with clarity of focus.
- Identify the Funding Opportunities – National & International
